

DEI PRINCIPI DI SPADAFORA

SCHIETTO CABERNET SAUVIGNON

2012

First harvest August 30, thinning of July 30. Second harvest September 4. Thinning of July 30.

Third harvest September 8. Thinning of July 30.

Blend in the tanks at the end of November. Fermentation in cement tanks. Malolactic fermentation. Refining in steel and big barrel. Alcohol/vol 14.23%, acidity 5.50 and ph 3.30.

Color deep red, almost impenetrable. Scent of cherry chocolate. Taste of curry, cinnamon and nutmeg.

Evolving sensations in the glass, not to be rushed.

A serious wine, but with a smile.

The vineyard well showed on the label. To drink for the next 20 years, because after I don't know I will still be able to.
