

DEI PRINCIPI DI SPADAFORA

PRINCIPE G 2017

First harvest August 24, thinning on July 10th.

Second harvest August 25, thinning on July 10th.

Third harvest September 12, thinning on July 10th.

Blend in the tanks mid November. Refining in cement tanks. Malolactic fermentation. On the white lees from November to July, at 10°C.

Refining in steel and big barrel. Alc/vol 13.87%, acidity 5.80 and pH 3.27.

Golden yellow. Scent of mature cedar. Taste of horseradish. Sensations of satisfaction. Direct, firm. Knows its way. Beautiful label with the central rose window on fine natural paper. To drink for the next 10 years.
